P R E F A C E

This volume contains a total of 75 publications published by the faculty and students of Saraswati Dental College, Lucknow during the period 01 April 2013 to 31 March 2014 and is aimed at archiving research contributions of the students, the faculty and the institution, and for ready reference of all concerned. These publications include books, book chapters, review articles, research articles, case reports, popular science articles, editorials and letters to the editor. Only publications bearing Saraswati Dental College affiliation of at least one author have been included. Where full article was not available, only the title page or the abstract has been included and this has been stated against the publication in the Index. Publications have been arranged year-wise and in alphabetical order. PDF of most of these publications are available with the undersigned. While every effort has been made to include all relevant publications, no claims are made to this volume being comprehensive. Present and past faculty members and students of Saraswati Dental College are requested to provide details and PDF of any publications that might have been missed. Cooperation of all in this endeavour is highly solicited. Thanks are due to authors of publications and Editors of the Journals who provided necessary input for preparation of this volume. This volume was released by LT. Gen. (Dr.) Vimal Arora, PVSM, AVSM, VSM, Director General, Army Dental Corps on 27 Feb 2015 at the Saraswati Dental College, Lucknow.
